Potential Trade Act Benefits

Two major components

1. **Trade Adjustment Assistance (TAA)**
2. **Trade Readjustment Allowances (TRA)**

Trade Act benefits are based on:

1. **Availability of Federal Funds**
2. **Individual Eligibility**

Available TAA Services

Will be covered at your Trade Act Information Session.

1. **Reemployment Services:** Personalized job development and placement.
2. **Job Search Allowance:** Deadlines will be reviewed at your Trade Act Information Session.
3. **Relocation Allowance:** Deadlines will be reviewed at your Trade Act Information Session.
4. **Training:** Includes classroom, on the job (OJT) and apprenticeship training.
5. **Case Management:** A case manager will be assigned and assist you every step of the way.

TRA (Unemployment Insurance)

1. **Will be covered at your Trade Act Information Session.**
2. **IMPORTANT DEADLINES (26 WEEKS) ATTACHED TO BENEFIT FOR ELIGIBILITY**
   (The last day of the 26th week after the week of your most recent qualifying separation or after the week in which the certification was issued)
3. **If the 26 week deadline is met, potentially you could receive up to 130 weeks of unemployment.**

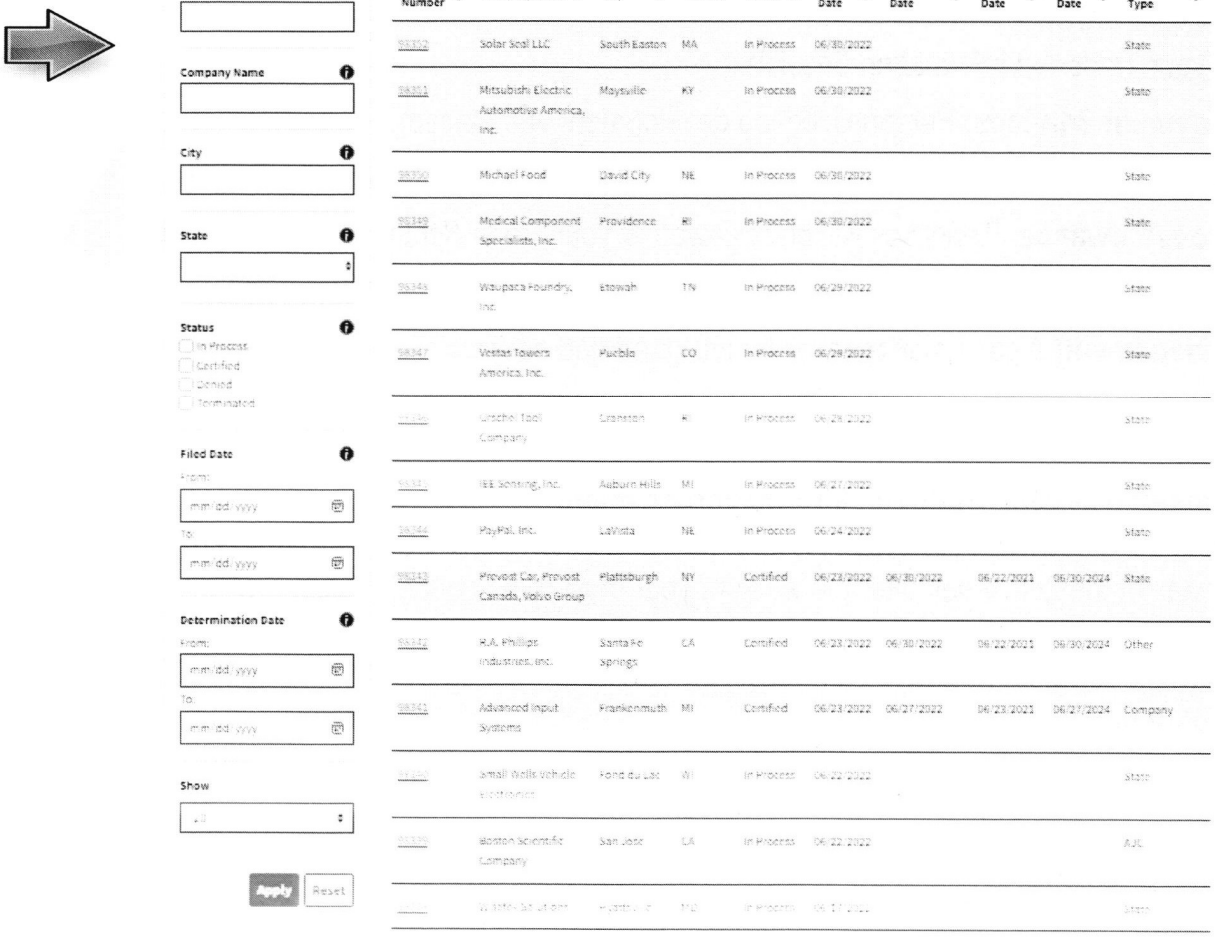
Reemployment Trade Adjustment Assistance (RTAA)

This is a potential benefit for workers age 50 or older, if subsequent work is at a wage lower than Trade Affected Employment and under $50,000 per year.

Next Steps

1. If your company is certified, we will schedule a Trade Act Information Session (TAIS) to go over your potential benefits in more detail and review your next steps.
2. IMPORTANT: Each of you will need to apply for your individual determination.
3. You can also find updates by following us on Facebook at *www.facebook.com/oregoncentraltradeactunit* (Oregon Central Trade Act Unit) 4. You can also find the status of a petition at ***https://www.dol.gov/agencies/eta/tradeact/petitioners/petitions.***

Search Trade Adjustment Assistance Petitions



You can search by entering either your petition number or company name.
